Reading and Language Arts

CHARACTER ANALYSIS	STORY COLLAGE	ILLUSTRATED TIMELIN
Complete a character analysis for the main character of your story. Include: ~ Characteristics/Traits ~ Behavior/Actions ~ Physical Appearance ~ Statements/Thoughts Support these with examples from the story.	Create a story collage using a piece of small poster board. Be sure to draw an appropriate setting for the story. Next, draw or cut-out and paste pictures that represent each of the following information: main characters, main events (beginning, middle, and end), the problem, solution, and what you liked best about this book.	Create a timeline of the book. Your timeline must include at least 10 events with descriptions in order from beginning to end of the story along with pictures to represent each event.
SETTING THE STAGE	**STORY MOBILE**	**PAPER PLATE TRI-ORAMA**
Build a miniature stage/diorama of the setting of your story. Write a ½ page description of the setting using adjectives.	Create a hanging mobile with information on both sides of each item. Include a picture of setting and description (on back), pictures of each main character and facts about each (on back), picture of the plot and description (on back), and a picture of your favorite part of the book and why (on back).	Make a triorama out of paper plates. Have each triorama scene show an important part or event from the story. Be sure to include the setting and something that demonstrates what the plot of the story is about on each scene. Write a summary of the book to paste on the bottom of the triorama.
PLAY TIME	**STORY SCRAPBOOK**	**LETTER TO AUTHOR**
Create a game board about your story. Include key events in the order they occur.	Create a scrapbook about the story. Include a cover page and pages demonstrating pictures and information on each of the following parts of the story: characters, setting, major events, problem, and solution. Each picture will need to have a brief description. Include at least eight pictures.	Write a letter to the author using a friendly letter format. Include: a short introduction of you, what you liked about the book and characters, how you felt while reading it and why, questions for the author, and why you would recommend this book to someone else.

Reading

1. Choose **ONE** book-related activity from the Think-Tac-Toe Choice board.

2. Be creative with the materials you will use such as: markers, paints, construction paper, craft supplies, recycled items, etc.

3. You can use your own drawings, clip art, or internet pictures. Any hand-drawn illustrations should always be completed in color.

4. The book project must be dated, contain the title of the book and the author's name.

5. Spelling and grammar count on all projects! This will be part of your overall grade.

6. You can print or type your project but all information should be written in your own words. No plagiarism will be allowed.

7. The main purpose of the book project is for you to become enthusiastic about reading while exploring different genres of books. I will be looking for your overall understanding of the book as well as for evidence that you have read the story. Effort, creativity and neatness will be a crucial part of your overall project and grade.

IReady: Students should complete 5 lessons for both Reading and Math.

Math fact fluency — problem solved!

Summer Tips for Success with Reflex!

Dear Parents/Guardians,

Help your child avoid the "summer slide" and encourage them to use their Reflex account this summer! Reflex is an adaptive and individualized program that continuously monitors each student's performance to create the optimal experience for every child. Reflex is a game-based program that helps students build fast and effortless recall of math facts. Research has shown that quick recall of math facts is critical for future success in mathematics.

Summer Tips for Success

- **Student Login is via M-DCPS Portal**
  - ➤ Select the Reflex App Icon. **R**
  - ➤ Students will be taken directly into their accounts. No username or password required.

- Students are encouraged to login to *Reflex* math through their student portal at least 3 times a week and strive for the "**green light**" each time.

- Your child can utilize the *Reflex* math program from any device with internet access throughout the summer, including smartphones.

- *Reflex* helps students of all ability levels to develop fluency with their basic facts in addition, subtraction, multiplication and division.

- *Reflex* continuously monitors your child's performance to create an optimal experience for them.

- Encourage your child(ren) to participate in the *M-DCPS Reflex Summer Math Challenge*. No special registration required. Just login as usual, *Get the Green Light*, and have fun throughout the summer.

Have a wonderful & safe summer!
